Buncombe

Joseph Buncombe purchased a tract of land consisting of 1025 acres in 1732 from Edward Moseley. It was the first deed registered in Tyrrell Co. in 1735. The land was west of Kendricks Creek, north of Beaver Dam Creek and Deep Run, and south of Bakers Swamp,

There is no record of additional land purchases in the Tyrrell Co. Deed Books. Joseph Buncombe married Ann Durant, daughter of George Durant. Joseph and Ann had one child Mary who married Samuel Sutton. Joseph was dead by Mar 14 1740. Widow Ann married Thomas Corprew and had 2 sons by that marriage. Ann Durant Buncombe Corprew died ca 1742.

Edward Buncombe, nephew of Joseph was born in 1742. He married Elizabeth Dawson Taylor April 10 1766. They came to North Carolina in 1767 and took control of the Buncombe land. Three children were born: Elizabeth Taylor b. 11 March 1767, died 9 March 1840, married John Goelet 23 October 1784.

Thomas born 3 Feb 1769, died by July 1792, unmarried but did have a child by Sally Jones and his estate was ordered to pay for a period of 7 years. The estate was closed in 1800 by John Goelet.

Hester born 25 April 1771. No further record - died young?

Elizabeth Dawson Buncombe died 24 October 1773 at the age of 24 years. Her tombstone was discovered ca 1934 under a section of floor in the old St. Paul's Church in Edenton, NC.

Edward Buncombe died in May 1778 as a prisoner of war in Philadelphia, PA. He lies in an unmarked grave in the Christ Church graveyard.

Edward Buncombe purchased one (1) tract of land consisting of 150 acres. Tyrrell Co. Deed Book 5 page 4 3 Mar 1771 - The tract was sold to Ephraim Etheridge 6 June 1776. There are no other purchases of land in the Tyrrell Co. deed books. (See copy of the Buncombe Land Division this issue.) 450 acres was sold to Thomas Mackey to settle the debts of the estate and son Thomas Buncombe received 500 acres on which Buncombe Hall stood.

There never was any 2,250 acres. Executors of estates were charged the acreage under their control. They paid the taxes and collected from the estate, They did not own all the land shown in the early tax lists.

Buncombe Hall was an I-shaped building with eight (8) rooms in the main building and three (3) rooms in the wing. The main building had three (3) cellars and there were two (2) cellars under the wing. There never was 40 to 55 rooms as has been reported in later years.

Elizabeth Buncombe Golet and her husband, John Golet, inherited Buncombe Hall and the 500-acre tract of land after the death of her brother Thomas Buncombe. John Golet deeded to Thomas B. Haughton, his son-in-law, 130 acres of the Buncombe Hall tract - WSH Co DB C 221, 1811. The land was deeded back to Golet WSH Co DB F 89 - 1823. The Golets bought and sold a number of small tracts of land but none of them affected the Buncombe Hall tract.

Edward Buncombe

William Currell to Edward Buncombe and Archibald Corrie, merchants. 1 acre and 25 poles which had been conveyed by Stevens Lee out of his land from William Downing -

Deed Book 5 page 81 Volume 1 - 26 Aug 1772. Note: This land was next to the Lees Mill Courthouse.

Thomas Blount to Edward Buncombe 150 acres, southward side of Beaver Dam - Deed Book 5 page 4 - 3 Mar 1771 - Later sold to Ephraim Etheridge 6 June 1776

Thomas Lee to Thomas Buncombe - 200 acres west side of Kendricks Creek to Hawkins Branch. Deed Book 10 page 146 - 19 June 1787 - Thomas Hawkins, died 1730, had a plantation in this area which is south of the Tidewater Experiment Station and west of Route 1120 Millpond Road.

Additional purchase of land by the Buncombes not found in the Tyrrell County Deed Books as claimed by Thomas Blount in the Buncombe Hall article.

The division of the Joseph Buncombe land circa 1790 showed 950 acres. 500 acres went to Thomas Buncombe and 450 acres to Thomas Mackey. This was of the 1025 acres Joseph purchased of Edward Moseley in 1732 and the first deed registered in the Tyrrell County Courthouse.

(Editor's note: Vernon Everett's note when transmitting this information: "I am cleaning up and throwing away a lot of the 'stuff' I have collected. I have researched Buncombe off and on for a number of years. What I have found is a bit different from what has been published many times over. So now you have the rest of the story - ...Vernon"
